

COVID-19 Composites UK survey report

40 member companies responded to the survey.

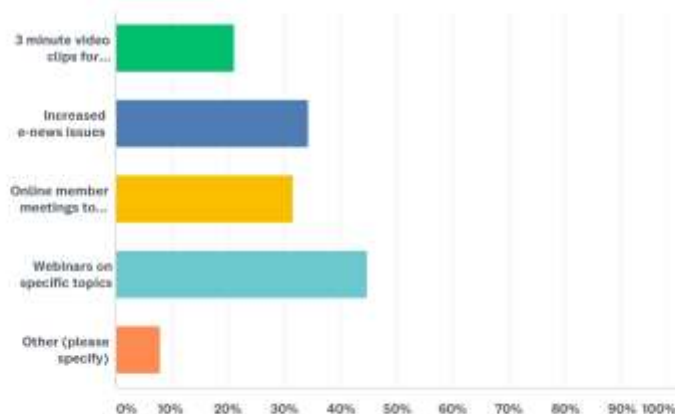

Q1 Question for Government: Please let us know which of the following is a concern for your organisation...

Additional concerns to flag to government are:

- Assistance for self-employed
- Cash flow
 - Customers unable to pay suppliers and the knock-on effect
- Processing of R&D tax credits

Q2 Question for CUK: Which of the following activities would you be interested in Composites UK providing:

Additional support requests are:

- Clear guidance extracted from the government announcements
- As so much of the composite industry relies on aerospace, lobby government for help to the aerospace supply chain.
