

# 2019

## Apprentice of the Year | **Winner:** Nia Jones, NCC

Celebrating young people demonstrating the potential to contribute greatly to the future of their company and the industry as a whole

### Overview

Nia is on the NCC graduate scheme. She is currently in her first year at the company and rotating through various functional departments.

She completed APMP Fundamentals of Project Management as part of PM rotation, as well as training in communication, influencing and presentation skills.

Nia scored highly at the end of her first placement review. The judging panel were impressed with her work ethic and the impact she has made at NCC in a very short time at the company. At a recent board level presentation, she impressed the CEO and team of Directors with her articulate delivery, attention to detail, and tangible results delivered.

Nia Jones (left) collects the award for Trainee/Apprentice of the Year from Engel's Nigel Baker (right).

The Composites UK Industry Awards are presented at the black-tie dinner which is aligned with the Composites Engineering Show in Birmingham.

Keep an eye out for our annual nomination process every May for your chance to apply.
