

2019

Employee of the Year | **Winner: Jonny Haley, MPM**

Award for outstanding employees who goes above and beyond for their company.

Overview

Jonny is responsible for all manufacturing areas in respect of people; processes; materials and products.

Much of the theoretical work involved in the NVQ and Leadership programmes he took part in was done in Jonny's own time.

Immediately after the fire that destroyed MPM's old factory in February 2018, Jonny set-up a WhatsApp group to mobilise the team, and keep them updated on progress.

When MPM moved to its new factory, Jonny led the organisation and layout of the shop floor; scheduled manufacturing activities; and gave tireless support and encouragement to his team.

Jonny played a major role in achieving the sales/turnover figure for 2018.
