Supporting the UK Composites Supply Chain

Opportunities for Growth and Development

09:00 Registration
09:50 Introduction
   Dr. Faye Smith, Composites UK Chair
09:55 Welcome to AMRC
   Hannah Tew, AMRC

Securing the Future of the UK Composites Industry

10:15 Progressing the UK's Industrial Strategy
   Kate Thompson, BEIS
10:35 Brexit – What it Means for our Industry
   James Dowler, Department for Exiting the EU
10:55 Global Opportunities for the UK Composites Supply Chain
   Nigel O'Dea, Lucintel

11:15 BREAK

Progress in Delivering the UK Composites Strategy

11:40 Overview of the CLF and Strategy Delivery (to include industry case studies)
12:20 LUNCH (Tour of AMRC at 12:50, pre-registered delegates only)

Building the Infrastructure to Support a UK Supply Chain

13:20 Developing Your Workforce
   Paul Shakspeare, National Composites Centre
13:40 Modernising Standards for a Changing World
   Katerina Busuttil, BSI
14:00 Launch of the 2018-21 HSE SiMPLC Strategy and Composites UK Action Plan
   Judith Botwood, HSE
14:10 Sustainability: International Collaboration and Other Recent Developments
   Stella Job, Composites UK
14:30 BREAK

Leading the Way in Composites Manufacturing

14:55 Composites 4.0 - Digitising Composite Manufacturing
   Daniel Thompson, National Composites Centre

15:15 Composite Structural Components in the Automotive Industry: From Niche Applications to Mass Production with Simulation
   Chandragupt Gorwade, ESI UK Limited
15:30 3D Printed Sacrificial Tooling for Complex Composite Part Fabrication
   Tony Flanagan, FDM Digital Solutions
15:45 Manufacturing High-Performance and Complex Geometry Sandwich Structures by Additive Manufacturing Methods
   Megan Davies, National Composites Centre

16:00 Advancement in Resin Infusion Technology for Manufacture of High Quality Aerospace Components & Future Automation
   Will Harris, Composite Integration
16:15 Development of an Acoustic Emission System for Condition Assessment of Composite Vessel for Hydrogen Fuel Cell Vehicles
   Geraint Havard, R-Tech Materials

16:30 CLOSE

Annual General Meeting

16:40 Annual General Meeting for CUK members
17:15 CLOSE
