## Chosen Charity

On the night we'll be raising money for the MS Society.

Over 100,000 of us in the UK have multiple sclerosis (MS). It's unpredictable, and different for everyone. It's often painful and exhausting, and can cause problems with how we walk, move, see, think and feel. It can make it hard for us to work, and do the things we enjoy. But it doesn't have to be this way. The MS Society are a community of people living with MS, scientists, campaigners, volunteers and fundraisers. They understand what life's like with MS, and support each other through the highs, lows and everything in between, as well as driving research into more – and better – treatments, for everyone.
