

Recomp 2020 (Online Event)

Sponsorship Package

For those wishing to become a sponsor of Recomp 2020, they will get:

Across all three planned webinars:

- A copy of the full delegate list (name and company only).
- Email addresses of those delegates who opt in to receiving 3rd party information at registration.
- Included in an email to all of those registered a week before the first webinar showcasing all of the sponsors – logo, brief overview text, website information.
- Company logo on the event cover image that shows for the online event.
- Company logo and website link on email sent out to promote the webinar series.
- Company logo and website link on the webinar event pages on the Composites UK website.
- A virtual ‘table’ where you will be able to speak with delegates during networking breaks at the event.

In addition:

- One press release in the Composites UK newsletter upgraded to featured story free-of-charge (must be used within the next 6 months).
- A social media post on our Twitter and LinkedIn feeds showcasing you as a sponsor of the webinar series with links back to your website.
- One delegate place at each day of the conference.

If you have already booked to attend the conference as a delegate, we can either reduce the price of sponsorship by the price paid to attend, or you can take an additional free place for a colleague.

Price:

Composites UK Members: £450+ VAT
Non-Members: £760 + VAT
