

APPRENTICE OF THE YEAR AWARD

WINNER: Britoni Farrer-Williams

Britoni has embraced her apprenticeship over the last four years at McLaren F1.

She has been the outstanding candidate of her cohort and has naturally developed all the skills, knowledge and behaviours taught in the course syllabus and adapted them to cope with the demands of Formula 1.

Britoni has also been a great ambassador for the apprenticeship scheme participating at numerous STEM events around the country, attending McLaren marketing events and participating in podcasts advertising the course.

Britoni has also been a leading figure in the company's Women in Engineering scheme to help encourage and promote further diversity and inclusion at McLaren.
