

EMPLOYER OF THE YEAR AWARD

SHORTLISTED: R-Tech Materials

Over the last year, R-TECH Materials has had a concerted focus on the mental health of its employees.

R-TECH now has two qualified mental health first aiders and all staff have undergone a mental health awareness course, to remove any stigma of mental health within the organisation.

Additionally, as a business R-TECH has tried to emphasise the fact that it values its employees, resulting in the rollout of private healthcare scheme and a profit share scheme, ensuring that all employees can share in the success of the business as the company strives to grow over the coming years.
