

EVENTS

We organise a range of events throughout the year, from conferences to meet-the-buyers, industry awards to pavilions at leading industry exhibitions. Not to mention the International Composites Summit which we co-organise.

Our events are open to all, however, heavily discounted rates are given to Composites UK members when attending, exhibiting or sponsoring.

PAVILION STANDS AT LEADING EXHIBITIONS

Our pavilion stand packages are primarily aimed at smaller companies who may not have the budget or resource to exhibit at these show on their own merit, but anyone is welcome. Contact us for details.

JEC World 2024
Paris, France

Farnborough International Airshow
