

## OUTSTANDING CONTRIBUTION TO THE COMPOSITES INDUSTRY AWARD

**SHORTLISTED: Paul Beckett**

With over 30 years' experience, Paul, the founder of Total Machining Solutions Ltd, has been a driving force in propelling TMS to the forefront of industry.

His visionary leadership and commitment to innovation have been pivotal to TMS's success. Paul actively embraces new technologies and invests in cutting-edge equipment, enabling TMS to introduce innovative solutions that set them apart from competitors.

Notably, Paul's recent investment in two large-scale 3D additive CNC machines has revolutionized TMS's manufacturing processes, reducing waste and enhancing product precision and with recycling programs and energy-efficient practices, underscore his commitment to TMS's success and the environment.
