

**Awards Dinner Sponsorship**

# 2024

The Composites UK Awards Dinner is the premier black-tie event for the industry celebrating the achievements of the UK composites sector, attracting over 200 people every year.

The event coincides with the Advanced Engineering Show, taking place at the Birmingham NEC on 30 - 31 October 2024 so that you can extend your networking opportunities into the first evening of the show. Companies bring employees who have worked tirelessly at the exhibition as well as their important clientele.
