Automotive Sector Showcase: Driving Future Needs of Composites in the Automotive Industry

24th June 2025, International Digital Laboratory (IDL), WMG

This showcase will delve into the future needs of the automotive industry, focusing on the role of composite materials in addressing emerging challenges and opportunities.

WHO ATTENDS?

This event is a supply chain gathering, meaning that it is an excellent opportunity to network and promote the work of your company to a wide range of delegates. It is relevant to:

- Automotive OEMs and Tier 1&2 suppliers
- Engineers, designers and R&D specialists
- Materials and process engineers
- Sustainability and regulatory compliance experts
- Academia and researchers
- Suppliers and solutions providers

WHY SPONSOR?

Not only do you get to promote your business to a new audience, but you're also supporting a not-for-profit organisation, enabling us to further assist the UK composites industry.

EXHIBITION OPPORTUNITIES

The table-top exhibition stands for this event will be placed on the Mezzanine at the IDL just outside the main lecture theatre, and is where refreshments will be served during the breaks*.

TABLE TOP EXHIBITOR PACKAGE

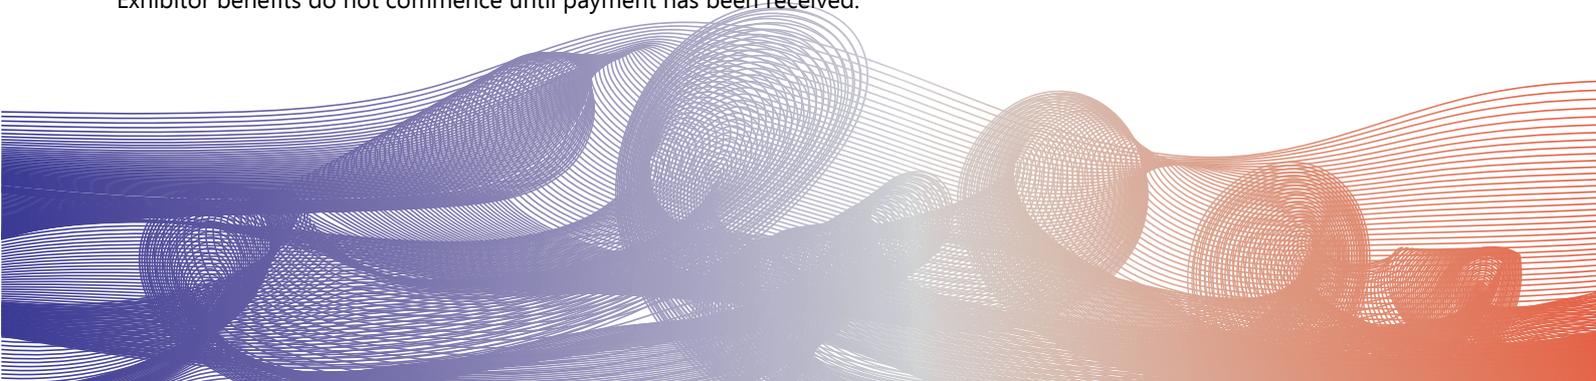

- One delegate place included (additional places to be booked at the listed conference rate).
- A 6ft table top exhibition stand where you can speak to attendees in the networking session.
- A copy of the full delegate list (name and company only).
- Company logo on the holding screen at the start of the event, and in-between speakers.
- Company logo and website link on email sent out to promote the event.
- Company logo and website link on the event page on the Composites UK website.
- Company logo and mentions included in the LinkedIn promotion of the event. We'll also provide you with graphics to use on your own channels.

Price:**

Composites UK Member: £395 + VAT
Non-Member: £790 + VAT

*Please be aware that while this space is not a public building, people will frequently pass through the Mezzanine on their way to their offices and laboratories.

**Exhibitor benefits do not commence until payment has been received.

SPONSORSHIP OPPORTUNITIES

We have options to suit all budgets, but let's start with the big one...

EVENT SPONSOR PACKAGE (Limited 3 companies)

- Two delegate places included (additional places to be booked at the listed conference rate).
- A 6ft table top exhibition stand where you can speak to attendees in the networking session.
- A roller banner (no more than 1m wide) at either reception or the front of the room - the location will be dependant on health and safety on the day.
- A copy of the full delegate list including email addresses of those delegates who opt in to receiving 3rd party information at registration.
- Highlighted in event e-shots as an event sponsor, which includes your logo, link and a brief company overview.
- Included in an email to all of those registered showcasing all sponsors – logo, brief overview text, website information.
- Company logo and website link on email sent out to promote the event.
- Company logo and website link on the event page on the Composites UK website.
- Company logo and mentions included in the LinkedIn promotion of the event. We'll also provide you with graphics to use on your own channels.
- A dedicated LinkedIn post announcing you as a sponsor of the event.
- An advert for two months in the Composites UK Industry e-newsletter, sent fortnightly to 15,000 people.
- A table top exhibition stand where you can speak to attendees in the networking session.

Price:*

Composites UK Member: £695 + VAT
Non-Member: £1390 + VAT

*Sponsorship benefits do not commence until payment has been received.

ABOUT COMPOSITES UK

Composites UK is the trade association for companies working in the UK's fibre-reinforced polymer composite supply chain.

The not-for-profit association has evolved and grown rapidly over the last several years, now representing more than 370+ companies, including manufacturers, material suppliers, equipment suppliers, academics, designers, engineers, consultants, clients and service providers.

Our key aim is to support companies in the UK to enable them to grow their businesses and succeed in the competitive global market.

In essence we are the voice of the UK composites industry.
