

Unlock the Benefits of Being Part of Composites UK

Become part of the UK's leading trade association for the composites industry and unlock opportunities for growth, innovation, and collaboration.

Composites UK is dedicated to supporting businesses like yours by providing industry insights, networking opportunities, advocacy, and exclusive member benefits.

By joining, you'll gain access to a powerful network of professionals, resources to help your business thrive, and a platform to raise your profile within the industry.

Here's how Composites UK can support your success:

SAVING YOU MONEY

- **Exclusive Discounts** – Enjoy member-only rates at industry events, exhibition space at shows like Advanced Engineering, and advertising in leading publications such as Composites in Manufacturing Magazine.

SAVING YOU TIME

- **Access Vital Resources** – Formulate your business strategy by gaining insights through privileged access to industry reports, funding updates, and technical advice tailored to your needs, as well as an exclusive look at business services through our chosen network of specialist companies.
- **Focus on Sustainability** – Access member exclusive knowledge to help improve the sustainability of composite materials as well as harness their potential in enabling critical sustainable technologies. We also hold information on how you can lessen your company's carbon footprint.

BOOSTING YOUR IMPACT

- **Boost Your Visibility** – Promote your expertise through our online members directory, event sponsorship, and marketing opportunities, such as placing your press releases in our fortnightly industry e-newsletter, sent out to over 15,000 industry professionals.
- **Get Recognition** - Enter your innovations and top individuals into our annual Industry Awards.

WIDENING YOUR NETWORK

- **Expand Your Network** – Connect with key players, suppliers, and innovators shaping the future of composites by attending one of our webinars or events. You can also take part in pavilion stands we organise at leading industry shows at a reduced financial and resource cost with our turnkey pod solution.
- **Discuss Industry-Critical Topics with Like Minded Companies** - By joining one of our subgroups focused on Sustainability, Material Supply or Construction.

SECURING YOUR FUTURE

- **Shape the Industry** – Have your say in government consultations and actively shape the future of our industry, as well as access member-only tools around workforce development and Equity, Diversity and Inclusion (EDI).
- **Pledge your Commitment to Health and Safety** - By signing up to the SIMPLC Strategy, promoting health and safety best practice in the industry.
