94 countries represented

78,000+ sqm of showfloor

27 pavilions

13,500+ business meetings

ABOUT US

Composites UK is hosting the UK Pavilion at JEC World 2026 for the fifth year running.

Having had a significant involvement in previous editions of the UK Pavilion for over a decade, supporting the then Department for International Trade, Composites UK took on the sole responsibility as hosts of the UK Pavilion from 2022!

The 126sqm stand will house around 22 companies from the UK composites industry. Spaces are available to both members and non-members of the Association, with members receiving a discounted rate.

About Composites UK

Composites UK provides each of its members with the opportunity to be better informed, to develop their network, collaborate, and to promote their business, in the UK and overseas, such that they can capitalise on the growth of the global composites market.

Its vision is to become the Premier Trade Association for the UK composites sector, by working with its members, partners and government to create the most supportive environment for innovation and sustainable growth.

WHY EXHIBIT WITH US?

NO RESOURCE? NO PROBLEM!

All of the pre, onsite and post event management is done by the Composites UK team providing you with a stress-free experience.

You will need to complete your online exhibitor profile, provide us with your company logo and the video for your TV - and that's it other than to decide on which brochures and samples to bring on the day!

GENERATE QUALITY LEADS

The pavilion will attract a large amount of visitors, and more importantly, the right visitors.

The stand is an eye-catching, easy-to-find prime space situated in Hall 6 - it can't be missed!

Composites UK will be inviting its OEM/tier 1 contacts to visit the stand.

BE PART OF OUR COMMUNITY

Get to know members of the Composites UK team and learn more about how we can help you beyond JEC World.

You'll also have 20+ other companies around you on the pavilion across the 3 days - they could turn out to be your next big client or partner.

ONSITE SUPPORT

The Composites UK team will be on hand, not just to help out with your presence onsite, but to disseminate enquiries from attendees on the day from our reception desk, introducing you to visitors you may not have met otherwise.

PROMOTIONAL SUPPORT

By joining the pavilion you're one of us - we want you to get the most from exhibiting.

That's why we will promote your presence on the stand on our websites, news releases and social media posts.

We'll even provide you with graphics you can use as well.

EXHIBITOR GUIDANCE

New to exhibiting or want to learn new ways to get the most return on your investment?

We'll be sending all of our exhibitors valuable information with hints and tips about what you can do to make the most of your place on the member pavilion.

PREVIOUS EXHIBITORS

Many companies have exhibited on the UK Pavilion with us over the years. Here's who exhibited with us in 2025!

ADDITIONAL ACTIVITIES

Networking Drinks Reception

Our annual on-stand networking reception, traditionally held on the Wednesday afternoon of the exhibition, attracts around 200+ attendees to the pavilion.

You will be provided with an invitation to pass on to any of your contacts you'd like to attend.

An Evening in Paris*

There is an option to join us, and the other pavilion exhibitors, for an evening out in Paris on the first evening of the exhibition.

Details will be sent to all exhibitors once plans have been made.

*An additional fee applies.

THE PACKAGE

Our detailed package includes all that you need for your presence on the UK Pavilion at JEC World!
