

OUTSTANDING CONTRIBUTION TO THE COMPOSITES INDUSTRY**HIGHLY COMMENDED: Grace Atkinson**

Grace Atkinson has been a transformative leader at Atlas Composite Technologies, making an impact far beyond her role as Head of Strategy. This year, she has not only shaped business direction but also played a pivotal role in redefining the company's culture.

One of her most notable achievements was leading a company-wide initiative to review and enhance employee benefits. Recognising that success begins with people, Grace collaborated across departments to design a modern, inclusive package centred on flexibility, well-being, and support. This initiative has strengthened employee retention and improved the company's ability to attract top talent in an increasingly competitive market.

In addition to her strategic work, Grace is deeply committed to developing others. She mentors junior staff across multiple teams, offering both structured guidance and informal coaching. Her approach empowers colleagues with confidence and clarity, fostering leadership skills that extend well beyond her direct influence.

Grace's leadership has delivered measurable improvements in operational efficiency, team performance, and business growth. Her passion, vision, and dedication set a new standard for excellence within the company.
