

EARLY BIRD Awards Dinner Sponsorship 2026

The Composites UK Awards Dinner is the industry's premier black-tie celebration, honouring the outstanding achievements and innovation across the UK composites sector. Each year, the event welcomes more than 240 leading professionals for an exceptional evening of recognition, networking and entertainment. Held alongside the Advanced Engineering Show at the Birmingham NEC on 4–5 November 2026, the Awards Dinner provides the perfect opportunity to extend your networking into the first evening of the show. Many companies use the event to reward exhibition teams for their hard work and to host valued clients in a prestigious, memorable setting.

HEADLINE SPONSOR *Limited to one company*

If you would like to be the evening's headline sponsor, please contact us to request a meeting so we can discuss how we can tailor the sponsorship to meet your marketing goals.
